

T-CRAFT AERO CLUB

Hello everyone,

I've been working on completing the annual Avemco policyholder information update form for our insurance provider. Our representative has advised me to ask each individual the following questions and receive a response in writing:

1. Have you, within the past 12 months had an aircraft accident, incident, or unreported claim?
2. Have you, within the past 12 months had your pilot or driver's license surrendered, suspended, or revoked; or been arrested for or charged with operating an aircraft or motor vehicle under the influence of drugs or alcohol?

I need a yes or no to both of these questions. Please print this e-mail, answer each question, print and sign your name at the bottom. Mail to T-craft Aero Club, 135 Municipal Dr., Nampa, ID 83687. You may include your response with your monthly payment. Answering yes to one of the above questions does not necessarily mean we have a problem. Because of the importance of this statement, failure to return this notice may result in your termination from the club.

Please feel free to call me if you have any questions (724-3309).

Best regards,

James Ferdinand 208.724.3309
President,
T-Craft Aero Club Inc.
